

STUDENTSSearch of Students/Lockers/Desks, Motor Vehicles

School officials may search students for items that may be harmful to themselves or to others and to detect items that are prohibited from being on school grounds or other places under supervision of school personnel, i.e. busses, field trips. Consent of the student is not required prior to the search. Except for lockers and desks, all searches will be based upon reasonable suspicion.

Student lockers are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security of their lockers. Periodic general inspections of lockers may be conducted by school authorities for any reason at any time without notice, without student consent, and without a search warrant.

School desks are school property and remain at all times under the control of the school. Periodic general inspections of desks may be conducted by school authorities for any reason, at any time without notice, without student consent, and without a search warrant.
