HIRING OF INDEPENDENT CONTRACTORS

I. GENERAL STATEMENT OF POLICY

Independent contractors are used to provide the district with consulting or professional/technical services.

An individual or individuals hired under independent contract by the district shall be hired according to the requirements of the Internal Revenue Code pertaining to independent contractors. Independent contractor status shall be maintained by applying the standard of the Internal Revenue Code to the granting and implementation of independent contracts.

Fees for contracted service shall be determined by the department requesting the independent contract in consultation and with the approval of the Superintendent of the department requesting the independent contract.

Monitoring and evaluation of services provided by independent contractors shall be performed according to the plan for implementation.

II. Laws:

Regulations to Internal Revenue Code Section 3401
